GridView

setCellDisabled()

Goal / 목표

Disable a specific cell including those hidden by filtering.

/

필터에 의해 숨겨진 셀을 포함한 특정 셀을 비활성화.

Example / 사용 예

```
gridView1.setCellDisabled(
    0, // row index
    0, // column index
    true, // disabled status
    false // use of actual index
);
```
